

# DIAPERS AVAILABLE HERE

Westchester County Executive Robert P. Astorino in partnership with  
The Junior League of Central Westchester present

## Westchester County

# Diaper Bank

## NOW OPEN AND SERVING THE COMMUNITY

Diapers are a basic need for children – as essential as food, shelter and a parent’s love.  
Yet many families struggle to afford diapers and few resources exist to help them.

**Until now.**

**How to apply? It’s simple! Complete an application and please remember to bring proof of Westchester County residency and child’s birth certificate when you pick up your diapers.**

For more information or to download an application,
