**IMPORTANT NOTICE**

YOU SHOULD BE AWARE THAT THERE IS LIMITED MONEY AVAILABLE FOR HEAP BENEFIT PAYMENTS. ONCE AVAILABLE MONEY IS USED UP, NO BENEFITS WILL BE ISSUED. THEREFORE, IT IS STRONGLY RECOMMENDED THAT YOU COMPLETE AND SUBMIT YOUR APPLICATION AS SOON AS POSSIBLE.

**PERSONAL PRIVACY LAW - NOTIFICATION TO CLIENTS**

The State's Personal Privacy Protection Law, which took effect September 1, 1984, states that we must tell you what the State will do with the information you give us about yourself and your family. We use the information to find out if you are eligible for the Home Energy Assistance Program and, if so, for how much. The section of the Law that gives us the right to collect the information about you is Section 21 of the Social Services Law. To make sure that you are getting all of the assistance you and your family are legally entitled to receive, we check with other sources to find out more about the information you have given us. For example:

- We may check to find out if you or anyone in your household were working. We do this by sending your name and Social Security Number to the State Department of Taxation and Finance, and also to known employers, to tell us whether you worked and, if so, how much you made.
- We may ask the State to check with the Unemployment Insurance Division to see if you or anyone in your household were getting unemployment benefits.
- We may check with banks to make sure we know about any income you or anyone in your household may have received.

Besides using the information you give us in this way, the State also uses the information to prepare statistics about all the people receiving Home Energy Assistance. This information is used for program planning and management. The information is used for quality control by the State to make sure local districts are doing the best job they can. It is used to verify who your energy supplier is and to make certain payments to such vendors. Your failure to provide us with the information we need may prevent us from finding out if you are eligible for assistance and we may then have to deny your application. This information is kept by the Commissioner, Office of Temporary and Disability Assistance, 40 North Pearl Street, Albany, New York 12243-0001. Do not send your application to this address. If you or anyone in your household does not have a Social Security Number, a Social Security Number must be applied for at the U.S. Social Security Administration.

**Read the Important Information Below**

I swear and/or affirm that the information given on this application and subsequent phone interviews is true and correct. I realize that any false statements or other misrepresentation knowingly made by me in connection with this application and subsequent requests for HEAP assistance may result in my being found ineligible for the assistance paid to me or on my behalf. Additionally, any false statement or misrepresentation knowingly made by me for purposes of obtaining assistance under this program may result in an action against me which may subject me to civil and/or criminal penalties.

**CONSENT**

I understand that by signing this application/certification, I consent to any investigation to verify or confirm the information I have given and other investigation by any authorized government agency in connection with this and any other requests for Home Energy Assistance Program (HEAP) benefits. I also consent to allow the information provided on this application to be used in referrals to available weatherization assistance programs and my utility company's low income programs.

I understand that the State will use my Social Security Number to verify with my home energy vendors the receipt of HEAP. This authorization also includes permission for any of my home energy vendors (including my utility) to release certain statistical information, including but not limited to, my electricity usage, electricity cost, fuel consumption, fuel type, annual fuel cost and payment history to the Office of Temporary and Disability Assistance, the local Social Services District and the United States Department of Health and Human Services for the purposes of Low Income Home Energy Assistance Program (LIHEAP) performance measurement.

**INSTRUCTIONS FOR COMPLETING THE APPLICATION:**

Complete all non-shaded areas and answer all questions.

**Who should complete and sign the application?**

The application should be completed by the person who has primary and direct responsibility for payment of the heating bill or the primary tenant if heat is included in the rent.

**What address should I list?**

You must list your current address. This must be your permanent and primary residence.

**Why do you need my daytime phone number?**

It is important to list a phone number where you can be reached. This will assist in timely processing of your application if additional information is required.

**Will I need an interview?**

Some applicants may be required to have an interview. You may choose to have a phone interview or to have an in person interview. Please indicate your interview preference in the box on page one. Completion of this section does not mean you will be required to have an interview.

**Who should I list as household members?**

List everyone who lives in your house, even if they are not related to you or contributing financially to your household. You may be required to provide proof of identity for all household members. List yourself first on line 1. If you live alone, write the word "none" on line 2.

**Citizen /Alien Information:**

In order to receive HEAP you must be a U.S.citizen, Qualified Alien, or U.S non-citizen national. Social Security numbers are required for all household members. The information is validated with data from the Social Security Administration. If any member does not have a Social Security number but has applied for one, write the word "applied" in the Social Security Number box. If you leave this section blank for any household member, your application cannot be processed but will be pended for further information. **Housing Information**

Please check the box that most accurately represents your housing situation.

**Heating Situation**

Make sure to answer all three (3) questions

**How should I complete the income section? Will I need to provide proof?**

Deductions include, but are not limited to: income taxes, child support, garnishments, health insurance, and union dues. You are required to submit documentation of all earned income, including self-employment and rental income. You may be required to provide proof of other income. Please see page 5 of the application instructions for specific types of acceptable documentation. Do not submit originals, they will not be returned. Eligibility will be based on your household's gross monthly income for the month of application.

An authorized representative is a person who may act as your agent for HEAP purposes as listed on the application. Authorized representative status is for the current program only and you may revoke it at any time during the program by submitting a statement to your local Social Services District. Since this person may be providing information on your behalf, it should be someone who knows your circumstances.

**Motor Voter Registration**

Please include the Motor Voter form with your application. Complete this form if you are not registered to vote and you want to register. This does not affect your HEAP eligibility or benefit amount.

- A valid Social Security Number for each household member
- Proof of residence

However, if you do choose a phone interview, please include a working phone number and the best time to contact you for a phone interview on Page 1 of your application.

All applications for heating equipment repair or replacement must be in person with full documentation.

**WHERE TO APPLY:**

You must apply in the county in which you currently reside. You can apply in person or mail in your application at the address stamped at the top of the application or can find other local certifiers by checking our website at: <http://www.otda.ny.gov>.

**MY BENEFITS**

You may apply for HEAP online by going to <https://www.mybenefits.ny.gov> . Once your application for HEAP is submitted, you can check the status of your application on-line by using your secure online account at <https://www.mybenefits.ny.gov> . If your application is approved the amount of the benefit is provided. You may be eligible for food assistance. Check your eligibility and apply for SNAP at <https://www.mybenefits.ny.gov> . Additional information about HEAP and other human services programs can be found at <https://www.mybenefits.ny.gov> .

**How will my benefit be paid?**

If you are approved and you pay for heat, your payment will be sent to your heating fuel vendor. Your eligibility notice will include the name of the vendor. If the vendor listed is not correct, notify the local Social Services District immediately. In some cases, your benefit will be paid to your electric company if heat is included in your rent. Your notice will tell you the amount of the benefit, how it will be paid, and how it was calculated.

Vendors are not permitted to make deliveries until payment is received or until instructed to do so by the local Department of Social Services. Benefits may not be applied to prior deliveries for deliverable fuel sources. If you are in need of fuel before your vendor has received notification or payment, you must contact your local Social Services District.

Regular HEAP benefits are intended to be a one-time supplement to your annual energy costs and are not intended to replace your personal payments. You must continue to pay your energy bills.

**What is a HEAP Emergency?**

- You are out of fuel or have less than ¼ tank of oil, kerosene or propane, or less than a ten (10) day supply of other deliverable heating fuel.
- Your natural gas or electric heat has been shut off or is scheduled to be shut off.
- Applicant owned heating equipment is not working.

**WHAT IF I HAVE AN EMERGENCY?**

HEAP benefits can assist with the following emergencies:

- You are out of fuel or have less than ¼ tank of oil, kerosene or propane, or less than a ten (10) day supply of other deliverable heating fuel.
- Your natural gas or electric heat has been shut off or is scheduled to be shut off.
- Applicant owned heating equipment is not working.

If you have a heating emergency and have applied for, but have not received, your regular benefit, you should contact your local Social Services District after the program opens. Whenever possible, regular HEAP benefits are used first to resolve an energy emergency.

**DO NOT WAIT UNTIL YOU ARE OUT OF HEATING FUEL OR YOUR GAS/ELECTRIC SERVICE IS OFF TO REQUEST ASSISTANCE. IF YOUR UTILITY SERVICE IS TERMINATED, YOUR UTILITY COMPANY IS NOT REQUIRED TO RESTORE YOUR SERVICE EVEN IF YOU ARE ELIGIBLE FOR A HEAP BENEFIT.**

**FAIR HEARINGS**

You have certain rights when filing your HEAP application. You have the right to be told if your application is approved or denied within thirty (30) business days of the date that the HEAP certifier receives your completed and signed application.

The processing time for applications will not begin until program opening even though you may have received an application prior to the program opening date as a part of our outreach effort. You have the right to request a conference and/or a fair hearing if it has been more than thirty (30) business days since the HEAP certifier received your signed and completed application (or it has been more than thirty (30) business days since program opening if the certifier received your application prior to program opening) and you have not been told of the eligibility decision.

If you would like a conference, you should ask for one as soon as possible. At the conference, if it is discovered that a wrong decision was made, or if because of information you provide, the decision has changed our original decision, corrective action will be taken.

If you would like a conference, please contact your [Local Department of Social Services](#). This is only for requesting a conference. It is not how you ask for a fair hearing. If you ask for or have a conference, you are still entitled to a fair hearing.

The Office of Temporary and Disability Assistance (OTDA) policy issuances and manuals are posted on the OTDA website at [otda.ny.gov/legal](http://otda.ny.gov/legal). These issuances and manuals are available to you or your representative to determine whether a fair hearing should be requested or to prepare for a fair hearing. In addition, upon request to your local social services district, specific OTDA policy issuances and manuals will also be available to assist you or your representative.

If you live anywhere in New York State, you may request a Fair Hearing by telephone, fax, online, or by writing to the address below:

**Telephone:** Statewide toll free request number is 800-342-3334. Please have the notice, if any, with you when you call.

**Fax:** your Fair Hearing request to: 518-473-6735

## Verifying your identity

We will try to check your identity before Election Day, through the DMV number (driver's license number or non-driver ID number), or the last four digits of your social security number, which you will fill in Box 9.

If you do not have a DMV or Social Security number, you may use a valid photo ID, a current utility bill, bank statement, paycheck, government check or some other government document that shows your name and address. You may include a copy of one of those types of ID with this form.

If we are unable to verify your identity before Election Day, you will be asked for ID when you vote for the first time.

## To complete this form:

**It is a crime to procure a false registration or to furnish false information to the Board of Elections.**

*Box 9:* You must make one selection. For questions refer to Verifying your identity above.

*Box 10:* If you have never voted before, write "None". If you can't remember when you last voted, put a question mark (?). If you voted before under a different name, put down that name. If not, write "Same".

*Box 11:* Check one box only. Political party enrollment is optional but that, in order to vote in a primary election of a political party, a voter must enroll in that political party, unless state party rules allow otherwise.
